

## **GLIMPSE OF THE EVENT**

**On March 11<sup>th</sup>, 2023**, Smt. R. D. Gardi B. Pharmacy College, Rajkot will have a special camp for **Thalassemia testing** of all first-year undergraduate students. The Indian Red Cross Society Rajkot was issued a special invitation to collect blood samples for examination. The goal of this was to highlight the importance of thalassemia testing and the spread of this issue to all types of thalassemia and how this blood illness affects our daily lives. Students were also shown an instructive documentary during the programme. The counseling service provided by senior faculty members helped them grasp their health-related issues, particularly the relevance of blood thalassemia.

There were 80 students who took part.
